## EMBARKING ON THE AQUA MARE

### LA1413 / LA1415

LATAM Airlines operates two morning flights (LA1413 / LA1415) which arrive on the day of embarkation on Aqua Mare. Both flights may be boarded in either Quito or Guayaquil. When booking tickets via Aqua Expeditions, the offered flight may vary depending on seasonality and sailing date.

Guests should arrive 2 hours prior to departure to meet our Aqua representatives at the Consejo de Gobierno del Régimen Especial de Galápagos of the respective airports. Our Aqua representatives will assist guests with the purchase of the Transit Control Card (TCC/ TCT) that must be presented at the airport check-in counter. The cost of the TCC/TCT is covered by Aqua Expeditions.
